Organizer

New landscape on the horizon
商用飞机市场的新格局和新挑战

0815 Registration 注册签到

 0850 Chairman's opening remarks / 大会主席致辞
Martin Craigs, President, Asia Aerospace Forum
Martin Craigs, 亚洲航空论坛主席

 0900 Strengthening China's commercial aircraft manufacturing industry based on independent innovation 立足自主创新 做强中国民机产业
Yang Yuzhong, Vice President of AVIC I(former), The Chief Advisor to AVIC Group
杨育中, 中航工业集团公司总顾问, 原中航工业第一集团常务副总经理

 0930 China aviation industry current situation and future development 中国商用飞机发展前瞻
Wang Xiangsui, Director, Development Strategy Research Center, Beijing University of Aeronautics and Astronautics
王湘穗教授, 主任, 北航战略问题研究中心

 0950 Development analysis of aircraft manufacturing equipments 航空工业制造装备发展分析
Zhang Hui, GM, China National Aero-Technology International Supply Corporation
张辉, 总经理, 中航技国际工贸公司

1010 Coffee break & Networking / 茶歇和交流

 1040 Perspectives on regional aircraft market and the green technologies for a changing environment 支线飞机市场预测与绿色飞机制造技术应用
Trung Ngo, VP Sales Asia-Pacific, Bombardier Commercial Aircraft
Trung Ngo, 亚太区销售副总裁, 庞巴迪商用飞机

 1120 A new challenge or an impossible dream
Jackson Ho, President, HK Aviation Industry Association
何懿德, 会长, 香港航空业协会

 1140 The Prospect of aircraft financings in emerging Markets 新兴市场国家的飞机融资业展望
Jennifer Wang, Senior Director of Asia-Pacific and Greater China, Boeing Capital Corporation
Jennifer Wang, 波音航空公司亚洲区高级主管

 1210 Sponsor session: Application of advanced titanium-based solutions on aircraft manufacturing 钛合金技术运用于下一代飞机制造
William MacDonald, Manager - US Technical Services Corporate Research and Development, TIMET
William MacDonald, 研发部经理, 美国TIMET公司

1230 Luncheon 豪华自助午餐

Partnership & cooperation for aircraft production
国际合作 创造航空业未来

 1400 Focusing fleet recycling, component safety and sustainable solution 飞机机队回收利用对新产品制造的效率提升
Martin FRAISSIGNES, General Manager Aircraft Fleet Recycling Association AFRA
CHATEAUROUX AIRPORT - FRANCE
Martin FRAISSIGNES, 总经理, 法国夏图路机场

 1430 Establishing a world leading cluster for global aircraft manufacturing outsourcing and subcontracting 打造世界级航空制造转包基地
He Shengqiang, Vice President, AVIC Xi'an Aircraft Industry (Group) Company Limited
何胜强, 中航工业西安飞机工业(集团)有限责任公司副总裁、总工程师(确认中)

 1500 Emerging cooperation models to support Chinese commercial aviation 新兴合作模式助推中国商用航空业发展
Jesse Ellis, Director, Strategic Planning Honeywell International
Jesse Ellis, 霍尼韦尔亚太区战略计划与市场总监

1530 Coffee break & Speed Networking
茶歇和快速交流

 1600 Study of technology on aeroplane flexible assembly 飞机数字化柔性装配技术新发展
Zou Fang, Director, AVIC Being Aeronautical Manufacturing Technology Research Institute
邹方, 主任, 中航工业北京航空制造工程研究所

 1630 LEAP-X1C: Powering China's C919 Aircraft with world leading aero engines
GE为中国C919大飞机提供世界级的动力技术
Hou Xiaofan, Sales GM, China Region, GE Aviation
侯晓帆, GE飞机发动机中国区销售总经理

 1700 Optimized supply chain management practice for commercial aircraft production 商用飞机制造的最佳产业链管理实践
Bill Lay, Director, Management Consultants, PRTM
Bill Lay, 管理咨询总监, PRTM管理咨询公司

 1730 Sponsor session: Superfinishing technology for the giant of the skies 为航空巨头提供最先进的金属表面处理技术
Paul Rawlinson, BD Manager, Rösler International
Paul Rawlinson, 业务发展经理, 德国Rösler公司

1800 Chairperson Remarks 主席总结陈词

Day one ends 第一天结束

Powering technologies for future aircraft production
未来飞机制造的动力技术创新

0850 Chairman's opening remarks / 大会主席致辞
Jackson Ho, President, HK Aviation Industry Association
何懿德, 会长, 香港航空业协会

0900 Development of advanced aero engines in
China based on independent innovation
立足自主创新 发展中国商用飞机发动机事业

Li Jibao, Vice President, AVIC Commercial Aircraft
Engine Co., Ltd
李继保, 中航商发副总经理

0930 Introduction and capacity forecast of Airbus
FAL Tianjin and its future subcontracting in China
空客天津总装厂的产能规划和在中国的采购策略

Jean Luc Charles, General Manager
Airbus Tianjin Assembly Lines
尚鲁国, 空中客车(天津)总装有限公司总经理

1000 Sustainable biofuels for aviation 生物燃料运
用于航空业

Michael Lakeman, Strategic Analyst, Boeing Commercial
Aircraft
Michael Lakeman, 战略顾问, 波音商用飞机公司

1030 Gearing up for next-gen innovation: Options
for a changing world 给世界多些选择: 下一代引擎
技术的创新

Christian Winkler, Director Business & Partnership
Development & New Programs, MTU Aero Engines
Christian Winkler, 商业拓展和新项目总监
德国MTU发动机公司

1100 Coffee break & Speed Networking
茶歇和快速交流

1130 Innovative shot peening solution for the
aircraft manufacture application 飞机核心部件生产
的表面处理技术创新

Peter O'Hara, Vice President, Metal Improvement
Company, Inc.
Peter O'Hara, 副总裁, 金属改进公司

1200 Hybrid Technologies – an alternative for
aerospace, too? 混合动力科技对于航空市场的应用

Peter Beugel-Kress, Senior Consultant Aerospace /
Coordinator Aerospace, MBtech GmbH & Ca KGaA
Peter Beugel-Kress, 航空业务高级顾问, 梅赛德斯奔驰车
辆技术有限公司

1230 Luncheon 豪华自助午餐

Material innovation for next-generation LCA R&D
新一代大飞机制造的材料技术创新

1400 Building China star: Chinese aircraft in pursuit
of lightweight and energy-efficient composite trend
先进复合材料的研究发展及应用——飞机结构的复
合材料化趋势

Chen Shaojie, Chief Researcher,
Shenyang Aircraft Design Research Institute
陈绍杰, 沈阳飞机设计研究所研究员

1430 Application of advanced aluminium-based
solutions on aircraft manufacturing 新一代铝合金材
料运用于飞机制造

Mario Moura, Global Marketing Manager
Alcan Aerospace
Mario Moura, 全球市场总监 加拿大铝业公司

1500 Green Airframe Technology
绿色飞机结构技术应用

Michael Niu, President of AD Airframe Consulting
Company(USA)
牛春匀教授, 美国AD飞机结构咨询公司总经理

1520 Coffee break & Speed Networking
茶歇和快速交流

1600 Airliner's cost structure during downturns and
its pursuit of energy-efficient airplanes 航空公司的
成本结构以及对于节能飞机的追求

Mark Watson, Head of Environmental Affairs, Cathay
Pacific
Mark Watson, 可持续发展部总监, 国泰航空公司

1630 From a certificate agent's view: How to be a
qualified supplier to China's aviation industry 认证
机构的视角: 如何成为中国航空产业的合格供应商

Zhang Wanze, Director of Greater China Region,
Bureau Veritas Certification
张万泽, 认证部总经理, 法国质量检验局

1700 Precision engineering and manufacturing of
complex subassemblies and assemblies for com-
mercial aircraft 精益化加工对于商用飞机制造的优势
体现

Aziz Erdinc, VP, Business Development & Marketing,
Asco Industries SA-NV
Aziz Erdinc, 副总裁, 比利时Asco Industries公司

1730 Day two ends 大会结束
