Dear HKAIA Members,

**A questionnaire regarding the career prospects in
Aircraft Discipline of HKIE**

The Aircraft Discipline of the Hong Kong Institution of Engineers (HKIE) would like to seek your support to collecting views from engineers, including those in the fields of manufacturing and maintenance, on their career prospects in the Discipline.

The Aircraft Discipline is a unique entry for qualifying professional aircraft engineers and technologists in HKIE. As you may know, Aircraft Discipline is a new established discipline in 2009 and now aims at recruiting founding associate member. In the long run, Discipline will provide formal training to those who want to go for corporate member. The purpose of this survey intends to collect views from engineers about the career prospects they expected from Aircraft discipline. The results of this survey can help the discipline to plan for future direction and to provide better training to its member.

Please kindly distribute the attached questionnaire to the engineers in your company and return it to me by FAX: 2788 6169 or Email: sec@hkaia.org.hk on or before 30 June 2011. Should you have any enquiries, please feel free to contact Miss Gigi Cheung on 2788 5589 or Mr. Gary Ho on 2788 5370.

Many Thanks and Best Regards,
Secretariat
Hong Kong Aviation Industry Association
