Dear HKAIA Committee Members,

## Asian Aerospace 2009 Networking Reception 8 September 2009

In order to foster new business opportunities for our members and the U.S. exhibitors, the U.S. Department of Commerce is seeking for our interest in partnering with them to organize business networking activities within the Asian Aerospace 2009 in September this year. They are expecting 40-50 U.S. exhibitors this year, including those represented through their Product Literature Center.

In addition, they are planning a networking reception in the U.S. Commercial Service booth area during the exhibition. They would like to know if we are interested in supporting or co-organizing this event. They hope to attract both U.S. exhibitors as well as Hong Kong, Mainland Chinese and international aviation firms. Attached please kindly find their event proposal for your reference.

Please let me know if you are interested to join or any further comments. Please contact Miss Gigi CHEUNG at 2788 5589, email: [sec@hkaia.org.hk](mailto:sec@hkaia.org.hk) or fax to 2788 6169.

Thank you for your attention.

Best Regards,

Secretariat
