Dear HKAIA Members:

AeroConnects 2010 Singapore International AeroPartners' Profiler

The Association of Aerospace Industries (Singapore), or the AAIS, will be publishing a special supplement in conjunction with our bi-annual "Singapore Aerospace Industries Directory" for 2010, which will coincide with the Singapore Airshow to be held from 2 to 7 February 2010.

The International AeroPartners' Profiler is part of a programme that is intended to be a platform for overseas aerospace companies to highlight their capabilities in Singapore and the region. It will also allow the local and regional aerospace industry to identify international capabilities for complementary and supplementary support.

A total of 15,000 copies of this supplement will be made available for distribution at the Singapore Airshow 2010, as well as by the AAIS. As part of the programme, participating companies will also have their profiles mirrored on a dedicated interactive website for 6 months, and Business-to-Business meetings will be facilitated during the Singapore Airshow (with e-facilitation off the Singapore Airshow period). As part of the networking experience, up to 2 senior executives will also receive an invitation to attend the AeroConnects Networking lunch on 1 Feb 2010, which will be attended by all participants of this programme and members of the AAIS.

The AAIS would therefore like to invite our members to be part of this programme at a low rate of only €1,200 for the 1st page (A4, full-colour) and subsequent pages at €600 each. This is an excellent opportunity for you to create greater market awareness of your products and services by reaching out to potential customers, suppliers, investors, financiers and other interested parties in the international aerospace industry.
