

Business/Technology Co-operation Study Mission on Aviation Industry in Zhuhai 12 November 2009 (Thu)

Abstract:

Zhuhai, located in the Pearl River Delta, was one of the original Special Economic Zone established in 1980s. With the support by the Zhuhai government, the Zhuhai Aviation Industry Park is in step with the quickening pace of advancement of the aviation industry resulting from international transfer of technology and domestic production within the aviation industry. In order to enhance the business and technology cooperation, Hong Kong Productivity Council, Hong Kong Aviation Industry Association is going to co-organize a one-day mission. The aim is to provide opportunities for Hong Kong manufacturers to explore the advance aviation related technologies and business or technology cooperation with the Zhuhai enterprises.

Factory/ Site Visit

- (1) MTU Aero Engines** - is a 50-50 joint venture of MTU Aero Engines and China Southern Airlines, China's largest carrier. The location specializes in the maintenance, repair and overhaul of IAE V2500-A5 and CFMI CFM56-3, -5B and -7 engines.
- (2) Zhuhai Aviation Industry Park** - was established in November 2008, designated to be a significant civil aviation industrial estate to develop aero assembly, parts and components manufacturing, numerical control base, maintenance, repairing and overhaul, service, logistics and etc.
- (3) Zhuhai Yanzhou Aircraft Corporation Ltd** - with RMB 30 million registered capital, is a light airplane manufacturer approved by the Civil Aviation [2002]. Currently located in the JiuZhou Heliport, YanZhou Aircraft Corporation covers a wide range of business activities, including light aircraft assembly, the R&D of manufacturing technology, flight training, consulting service, aero club and forest fire prevention.
